### 1 Introduction

#### 1.1 Contents

We would like to ask the presenting authors to prepare the extended abstract of the presentation. The page limit of the extended abstract is 2 pages in A4 format with headline, body texts, figures, tables and references. The extended abstract should include the academic background and objective of your research, experimental/analytical/numerical procedures, results and discussion, conclusions of the presentation. If necessary, acknowledgement and funding resources should be included in the end of the extended abstract.

#### 1.2 Format of extended abstract

Please make sure that the format of the extended abstract is referred to this sample format, including the free space on top/bottom and left/right sides, font size and styles, and the information of the headline (title, authors, affiliation, and contact email address).

The detailed format is as follows.

- Space: Left/right sides 20mm,  
Top side 25mm, Bottom side 22mm
- Font: Times New Roman
- Title: 15 point in bold

- Section title: 11 pt in bold, Times New Roman
- Tables and figures captions: 11 pt in Roman, Times New Roman
- References [1]: 9 pt in Roman
- Style of equations

$$\sigma_{ij} = C_{ijkl} \varepsilon_{kl} \quad (1)$$

### 2 Extended abstract submission

The electronic file of your extended abstract should be submitted to the following email address in Word or pdf format. Please make sure that you embed the fonts if you submit your extended abstract in pdf file. It is strongly recommended that the size of pdf file is less than 3MByte. Please include the first author's name in the file name; for example, "**Extended\_ Abstract\_(First author's name).doc(, docx, or pdf).**"

**Email:** nishikawa@me.kyoto-u.ac.jp

**Submission Deadline:** August 2 (Fri.), 2019

#### Contact information

If there is any inconvenience, please contact the workshop secretariat at the following email address.
