

1st Russia-Japan Joint Workshop on Composite Materials (RJCM-1)

Lomonosov Moscow State University, October 31- November 1, 2019

It is a great pleasure to announce the first Russia-Japan Joint Workshop on Composite Materials to be held in Moscow, Russia on October 31st and November 1st, 2019. The goal of the workshop is to provide new opportunities for increasing mutual exchange of cutting-edge research outputs in the composite field among academic researchers of Russia and Japan. The workshop addresses the recent advances of composites science and technology including the following topics.

TOPICS (not limited to the following)

- Composites for aerospace and automotives
- Mechanics of composite materials and structures
- Experiments, micromechanics, damage mechanics
- Novel materials, process, structure design
- Manufacturing of composite materials and structures
- Process modeling and optimization
- Multiscale and multiphysics

Organizing Committee

E. V. Lomakin, Lomonosov Moscow State University, Russia

B. N. Fedulov, Lomonosov Moscow State University, Russia

K. Nishiyabu, Kindai University, Japan

M. Nishikawa, Kyoto University, Japan

Venue: Lomonosov Moscow State University

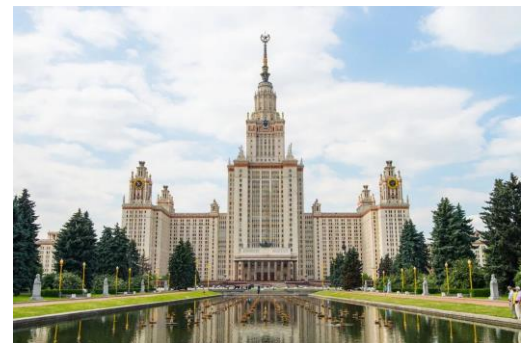

Main Building <http://www.math.msu.su/>

Faculty of Mechanics & Mathematics

119991, Leninskiye Gory, MSU, Moscow, Russia

Workshop Secretariat from Russia:

B. N. Fedulov, fedulov.b @ mail.ru

Call for papers

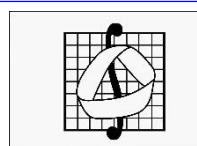

Presenting authors submit an abstract of 200 - 300 words in English by email to the following address of the workshop secretariat by May 31, 2019. Accepted abstracts will be noticed to the authors by email before July 5, 2019. All presenters will be assigned to oral presentations and encouraged to submit extended abstracts (2 pages).

Workshop Secretariat:

M. Nishikawa, Kyoto University Email: nishikawa @ me.kyoto-u.ac.jp

1st Russia-Japan Joint Workshop on Composite Materials (RJCM-1)

Lomonosov Moscow State University, October 31- November 1, 2019

Important Dates:

Deadline of abstract submission:	May 31, 2019
Notification of accepted abstracts:	July 5, 2019
Announcement of preliminary program:	July 12, 2019
Deadline of extended abstract (2 pages):	August 2, 2019
Deadline of early registration:	August 2, 2019
Deadline of late registration:	October 25, 2019

Registration fee (including workshop dinner):

Early registration (general)	6,000 RUB
Late/on-site registration (general)	8,000 RUB
Student registration	3,000 RUB

Workshop Chair:

E.V. Lomakin, Lomonosov Moscow State University
K. Nishiyabu, Kindai University

Advisory Members:

(to be updated in the website)

Contact information:

M. Nishikawa,
Dept. of Mechanical Engineering and Science,
Kyoto University,
C3 KyotoDaigaku-Katsura, Nishikyo-ku,
Kyoto, 615-8540
TEL: +81-75-383-3626
Email: nishikawa @ me.kyoto-u.ac.jp
<http://ams.me.kyoto-u.ac.jp/workshop/Russia-Japan/>

The RJCM-1 organizing committee is planning a workshop dinner and post-workshop tour around Moscow. The details will be announced in the workshop website. We are looking forward to your participation!
